## Town Monitoring Form v 1.00

<http://www.baldocksociety.org.uk>

### **How is your town being run? Are there any issues that need addressing?**

Members of The Baldock Society can now help paint a picture of Baldock as a whole town, by submitting their observations on issues affecting the area.

We're interested in details of excessive amounts of litter, missing or damaged road signs and bollards, general Council maintenance (e.g. street lights), graffiti and other vandalism, anti-social behaviour or any other issue that you feel important.

### **What will The Baldock Society Committee do?**

The information you give us will be collated with other forms we receive. If there are common issues around the town that are not being dealt with satisfactorily, or particular concerns raised, then we will register our view with the relevant authorities.

### **So if you care about Baldock and want to try and address the issues you see around town, fill in this form today!**

And don't worry about privacy - we will never give your personal details to anyone without your consent. All matters discussed at members meetings or reported to relevant authorities will be presented anonymously, unless you tell us otherwise.
